

Mufti Daryan Inaugurates Tala'al-Badru 'Alayna Festival Sponsored by Al Baraka Bank

His Eminency Mufti Abdul Latif Daryan inaugurated “A Message for Life Festival” organized by Tala'al-Badru 'Alayna Campaign at the Beirut International Exhibition and Leisure Center (Biel). The Festival, which continues for the 9th consecutive year, is sponsored by Al Baraka Bank and held in cooperation with a wide array of Islamic, educational and social institutions in Lebanon. The Festival seeks to introduce Prophet Mohammad’s manners and spread his teachings to demonstrate the tolerance of his mission while creating a mood of happiness and joy over the occasion. The two-day festival included events executed by a group of youths as performances and religious, cultural, recreational, awareness and social lectures targeting different ages in addition to arts and cultural fairs inspired by Islamic teachings. Remarkably, Al Baraka Bank had a special stand to teach children Islamic banking principles and rewarded winners with Samsung tablets.
